J'ai rencontré quelqu'un. Ça fait quelques jours qu'on se retrouve dans un bar, on boit un café, on discute.

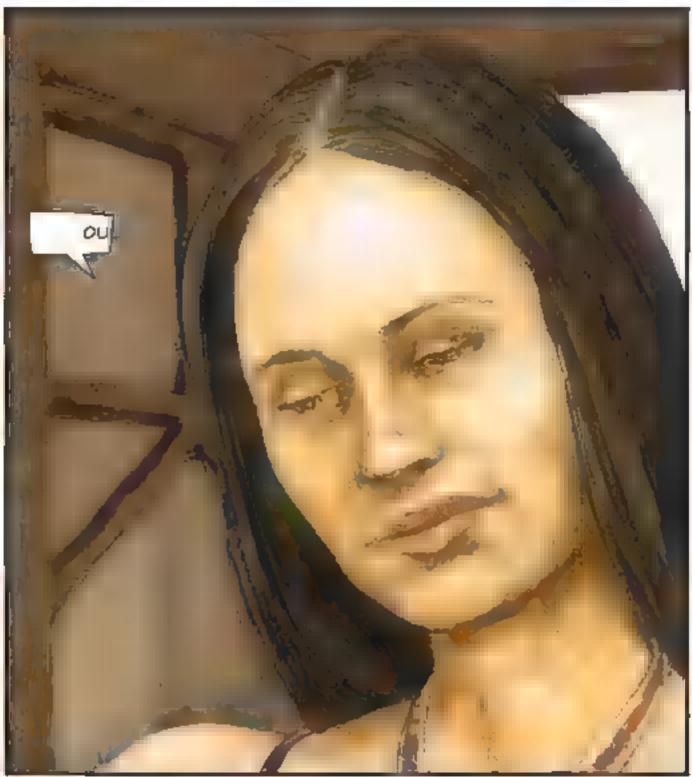

Ça reste très amical, mais il me plaît. Je l'imagine souvent nu, en train de me faire l'amour. Quand il m'a demandé quel était mon boulot, je lui ai dit que je tenais un blog sur la cuisine et les fringues. Je me demande comment il réagirait s'il savait ce que je fais vraiment. Est-ce que je pourrais gérer une relation dans ma chambre de verre, est-ce que mon partenaire l'accepterait ? Ça fait trop longtemps que je suis seule.
